Old Business: waived beginning of new season.

New Business:

- Shirts for October. We are thinking about doing a Black shirt with pink on it. (Last year we had some boys on our teams who had an issue with the pink shirts), so we are working with this life apparel to come up design. Coaches will be responsible for doing the pink socks. We are also going to pink out the field. (Pink balloons, pink players hands on sign)
- Fundraising Ideas: Bri and Crystal are working on a lottery one again. We are also looking at buying a patch for \$1 for each piece. There will be 10 pieces to each soccer ball. A parent said about doing a trunk or treat at the field. Advised if they wanted to do it then they could definitely go for it. Just let us know. We are open to all fundraising suggestions.
- PNW Yard Sale: We are offering spots for people to sell stuff at during the PNW Fall Yard sale. Spots are free. They will be in the back by the baseball diamond. We have games on those days so our stand will be open for food purchases. We are thinking about doing a basket raffle and we will be a designated spot for a stamp. If anyone wants a spot let us know.
- James asked about getting in touch with the red cross for one of our events to do a blood drive. Maybe look into it for Food Truck Fest.
- Food Truck Fest: It is coming soon. We are still taking vendors. We have like 2 or 3 confirmed food trucks. 13 Vendors. We will need volunteers to help out.
- Bucket Drive – So there are no home games on September 20th. (U4 and U6 don't have games at all) so we are going to be doing a bucket drive. We will be meeting at the field at 8:45 and going from 9 to 12. We will be at hometown market, Dollar General, and the Bridge, depending on the number of volunteers. We will be going from 9 to 12.
- Fall Frenzy: October 18 and 19th. We wanted to host this year but we were advised to wait until next year.
- We are talking about changing the logo. We would be eliminating the little boy on it and keeping the just coal.
- End of the season party: October 12th from 2 to 6. We will have a bounce house, DJ, Food.
- Field is being treated- seeding, crab grass. It is being done by Tru Green.
